From window ~~can~~ can see
Hotel Berruit

He can hear voices and trucks

He can smell rope and cement

He remembers narrow stair hall with tile
steps - handcuffed.

He has been moved twice disguised as a
woman.

He can see through his blindfold (colored lights)
at night.)

⇒ How?

He said, I smell shit and rotting meat.

it is sore on right side, possible
liver or hepatitis problem. Bowels are
running. He is hungry, He asked
about family.
